

There is a down tree on Fanton Hill Road. The following is the most updated information from our Communications Director:

- As of 10:00am this morning, trees on wires caused a power outage in the area of Fanton Hill Road.
- Currently, Old Easton Turnpike to #19 Fanton Hill Road is closed to traffic.
- As of 2:00pm today, tree crews have completed clearing branches and limbs from primary wires to allow for repairs.
- Eversource line crews are currently on scene to re-string the power lines. This work is expected to take between 6-8 Hours.
